Hello Fellow Commissioners, Liaisons and Ex-Officios:

As you may already be aware we have scheduled CSW's Fall 2008 Retreat for September 26, 2008 from 8-11am in the Ventana Room, Student Union. In anticipation of a very engaging and productive retreat we are encouraging you (especially our new members) to visit the following links to learn or review historical information related to the CSW vision, mission and bylaws. We also want everyone familiar with past projects, initiatives and current work teams. Included is also the agenda for the retreat so you can see how important your participation will be. To RSVP please contact Kimberly Ryan by Friday, September 19th at 626-5502 or [kryan@email.arizona.edu](mailto:kryan@email.arizona.edu). Please contact us if you have any questions.
