Re: Invitation to CSW Recruitment Event on April 29th, 2008

The UA Commission on the Status of Women (CSW) was established in 1993 to advise the President on policies and practices that benefit women and other underrepresented groups at the UA and within the Tri-University system. The CSW shapes policies and procedures, delivers programs and funding, and offers leadership opportunities for its members. The Commission is comprised of women and men from all constituencies: faculty, staff, graduate and undergraduate students work together to achieve the goal of creating a just, equitable and inclusive campus for all.

Each spring a call for nominations and applications is conducted starting with a recruitment event that provides an opportunity for interested individuals to learn about the work of the CSW. The recruitment program will include brief reports from workgroup chairs about the activities undertaken during the past year, plans for next year, and expectations of Commissioners. There will be ample time to talk with Commissioners and to review a variety of materials designed to inform participants about the history and progress of the CSW. Light refreshments (afternoon tea) will be served.

All faculty, staff and students are invited to attend The 2008 CSW Recruitment Reception April 29, 3 p.m. to 4:30 p.m., Rincon Room, Student Union. Reserve your place!
