RE: Call for Nominations - 2005 CSW "Vision" Awards

In 1990 the Arizona Board of Regents created a statewide Commission on the Status of Women (CSW) to assess the conditions of employment for women at Arizona's three universities. This original Commission proclaimed a vision for the new millennium: "each University in the State of Arizona provides a supportive and challenging environment in which diversity is valued. Women are present at all levels in numbers reflecting the national and local communities served." The University of Arizona CSW was formed in 1992, and since then has worked to achieve "a just community that respects and supports the professional and personal aspirations of all its members."

The CSW Vision Awards Program honors leaders who manage their units in ways that exemplify the vision of the Commission. University staff, faculty, graduate and undergraduate students, and administrators are encouraged to nominate individuals who cultivate diversity and advance the CSW goals. (Detailed information about the UA Commission on the Status of Women and the Vision Awards can be found online at the CSW website, www.csw.arizona.edu).

Up to three recognition awards will be presented on November 16, 2005. The Vision Awards Ceremony will be featured as the lunch-time program associated with the CSW sponsored Intersections 2005: Living, Working & Learning conference. Current UA employees with the title of Dean, Department Head, Director, Chair, and others in positions with significant personnel oversight responsibilities are eligible for nomination.

Nomination materials may be obtained online from CSW website or by contacting the Diversity Resource Office at 626-5502. NOMINATIONS MUST BE RECEIVED BY 5 P.M., MONDAY, OCTOBER 24th, 2005.
