Re: Invitation to CSW Recruitment Event on May 3rd

The UA Commission on the Status of Women (CSW) was established in 1993 to advise the President on policies and practices that benefit women and other underrepresented groups at the UA and within the Tri-University system. The CSW shapes policies and procedures, delivers programs and funding, and offers leadership opportunities for its members. The Commission is comprised of women and men from all constituencies: faculty, staff, graduate and undergraduate students work together to achieve the goal of creating a just, equitable and inclusive campus for all.

Each May, a call for nominations and applications is conducted starting with a recruitment event that provides an opportunity for interested individuals to learn about the work of the CSW. The recruitment program will include brief reports from workgroup chairs about the activities undertaken during the past year, and short presentations by community members who have benefited from CSW programs and services. There will be ample time to talk with Commissioners and to review a variety of materials designed to inform participants about the history and progress of the CSW. Light refreshments will be served.

All faculty, staff and students are invited to attend The 2006 CSW Recruitment Reception May 3rd, 3 p.m. to 5 p.m., Student Union North Ballroom. Reserve your place!
