Game Changers

Our data were clear: time and money are the biggest obstacles when it comes to pursuing opportunities.

TIME:

UA values professional development and has built paid time into our work lives - at least 16 hours of paid release for full-time, benefits eligible employees. Access the full policy here:

<http://www.hr.arizona.edu/policy/503>

It might feel like you don't have time to get away, but new skills can help you become more efficient and effective. It's a matter of short-term pain for long-term gain!

MONEY:

Many campus and Tucson opportunities are offered free of charge.

Check with your department to explore funding availability.

Additional funding sources: Qualified Tuition Reduction; SAC "Emily Krauz Staff Endowment Scholarship"; APAC Professional Development Fund; Graduate and Professional Student Council Funding; professional organizations on or off campus, and others!

You've Warmed Up ... Now It's Game Time!
